Long: 18.450524

Camp Full Monte is an off-grid, clothing optional campsite and eco-project set in the hills above the Croatia/Montenegro border. It's environmentally friendly facilities include state of the art: composting toilets, waterless urinals, solar heated showers, photo voltaic power supply and organic flower and vegetable gardens irrigated with an ingenious grey water system. Bring your own tent or hire a pitched tent equipped with mattresses, bedding & towels. There is also a fully equipped communal kitchen and dining area. Camp Full Monte is a vehicle free, tent only site so camping cars and caravans cannot be accomodated. There is off road parking outside the site and it is a small site so you are rarely more than 200m from your car.

General

No INF / AANR card required
